

## DECLARATION OF CONFORMITY

No. 01/01/2026

**1. Manufacturer of the material:**

**GROMTOR Sp. z o.o.**

VAT nr. 8992853476

Address of the registered office: 180/106 Krakowska Street, 52-015 Wrocław

Production plant: 3 Zacisze Street, 55-010 Groblice

Sales Office: 3 Zacisze Street, 55-010 Groblice

**2. Name of the product:**

Parts of lightning protection system.

**3. Statistical classification of the product:**

Code CN: 83024190

**4. Purpose and scope of application of the product:**

Elements for the installation of lightning protection systems and for making connections to equalize the electric potential, in accordance with European standards.

**5. Technical specifications:**

**EN IEC 62305-1:2024** Protection against lightning - Part 1: General principles

**EN IEC 62305-2:2024** Protection against lightning - Part 2: Risk management

**EN IEC 62305-3:2024** Protection against lightning - Part 3: Physical damage to structures and life hazard

**EN IEC 62305-4:2024** Protection against lightning - Part 4: Electrical and electronic systems within structures

**EN IEC 62561-1:2023** Lightning Protection System Components (LPSC) - Part 1: Requirements for connection components

**EN IEC 62561-2:2025** Lightning Protection System Components (LPSC) - Part 2: Requirements for conductors and earth electrodes

**EN IEC 62561-4:2023** Lightning Protection System Components (LPSC) - Part 4: Requirements for conductor fasteners

**EN IEC 62561-5:2023** Lightning Protection System Components (LPSC) - Part 5: Requirements for earth electrode inspection housing and earth electrode seals

**EN IEC 62561-8:2026** Lightning protection system components (LPSC) - Part 8: Requirements for components for electrically insulated LPS

**EN ISO 2081:2018** Metallic and other inorganic coatings - Electrolytic zinc coatings with additional treatment on iron or steel

**EN ISO 1461:2022** Hot dip galvanized coatings on fabricated iron and steel articles — Specifications and test methods

**EN 1991-1-4 (2005)+A1:2010** Eurocode 1: Actions on structures - Part 1-4: General actions - Wind actions

**6. Products covered by the declaration**

*Products included in the GROMTOR catalog lightning protection systems 2025: connectors, handles, earth electrodes, boxes and air-termination rods, GTI system, lightning conductors, accessories.*

I hereby declare, under full liability, that the product is compliant with the reference documentation quoted in paragraph 5.
